Dear Sir:

Applicant submits a substitute specification in order to correct clerical errors in the English language specification. The substitute specification is submitted in accordance with 37 C.F.R. § 1.125 (b) and (c). Both a redline version and a clean version of the substitute specification are submitted as well as the original English translation of the International Application. Claim amendments are submitted herewith as a preliminary amendment.

Amendments to the Claims begin on page 2 of this paper.

Remarks begin on page 6 of this paper.
